

This Workcamp was a new and unique experience for me, I met people from different countries, I learned more about their cultures and I did things in Nature I would otherwise have never done such as clearing a lake from trees and building a dyke. Thank you Natagora.

Dit werkcamp was een nieuwe en unieke ervaring voor mij, ik heb mensen uit verschillende landen ontmoet, ik heb meer over hun culturen geleerd en ik heb dingen in de natuur gedaan die ik anders nooit gedaan zou hebben zoals een meer begraafden van bomen en een dijk bouwen.

Bedankt Natagora

Раньше, здесь был лес. Но благодаря усилиям волонтеров и
Matagora.

Originally, there was a forest here. But thanks to the work
of Matagora and the volunteers.

Он был превращен в beautiful озеро и гнездовье
первых аистов
It was transformed into a magnificent lake and a nest place
for the black stork.

Я надеюсь что вам здесь очень понравится.
I really hope that you will like it here.

Благодарю вас за результаты 2-х недельного труда.
Because you have the results of a hard and exhausting
2-week work before you.

With love from Belgium, Mikhail
Efimenko, 14-years old.

MERHABA!

Biz burada birçok ülkeden gelen 13 gönüllü olarak Natagora organizasyonuna bu görevi revize etmeleri konusunda yardımcı olduk. Amacımız nesil tehlikesi olmayan kuşlara su kaynağı üretmekti. Bol miktarda ağaç kestik ve yakıtık ama bunun ekolojik açıdan dengeleyici olduğunu söylediler. Umarım seyahatimizden zevk alırsınız!

HELPING THE NATURE

from all around the world

Merhaba sevgili Türkler,

Ben bu gölü yaparken
"gönüllü" olarak çalıştıklarım
amellerden biriyim. Çok ama
çok amaçsız işlerde bulundum.
Ağaçları kesip biçtik, senada yaptık.
Peki ne için? Siyah leylek için.
Her yerde varlar. Gezi dayından
sonra bana çok koydu. Geziyi
geç, doğayı katlettim.
Şimdiden özür dilerim.

J'ai participé.

We are from different countries, we have different
cultures,
but we have common - **NATURE**.

Together we can keep it our **NATURE** for next
generation.

Ми є з різних країн, ми маємо різні культури, але
ми маємо те, що нас об'єднує - **ПРИРОДУ**

I've done this workshop for sharing my culture with others people from different countries. This experience learn me a lot of things that I ^{never} ~~can't~~ could forget. Thanks to all the volunteers and the team of Natagora.

J'ai fait ce chantier pour partager ma culture avec différentes personnes venant de pays distincts. Cette expérience m'a beaucoup apporté et je ne pourrai jamais l'oublier. Merci à tous les volontaires et à toute l'équipe de Natagora.

I FOUND THIS WORK CAMP INTERESTING FOR LOTS OF REASONS:

FIRST OF ALL BECAUSE IT IS VERY IMPORTANT TO PRESERVE NATURE FOR ANIMALS TO DEVELOP THEMSELVES IN THE BEST CONDITIONS:

BUT IT WAS ALSO IMPORTANT PERSONALLY: FEELING PEOPLE SMILING EVERYTIME; HAPPY TO SHARE, LEARN, DISCOVER OUR DIFFERENT CULTURES AND OPINIONS THROUGH A COMMON AIM: PRESERVING NATURE!

J'AI TROUVÉ CE TRAVAIL TRÈS INTÉRESSANT POUR DIFFÉRENTES RAISONS:

TOUT D'ABORD CAR PRÉSERVER LA NATURE POUR QUÉ LES ANIMAUX PUISSENT SE DÉVELOPPER DANS LES MEILLEURES CONDITIONS EST TRÈS IMPORTANT.

MAIS CELA A AUSSI ÉTÉ IMPORTANT PERSONNELLEMENT CAR SENTIR LES PERSONNES SOURIRE À CHAQUE INSTANT; HEUREUX DE PARTAGER, D'APPRENDRE DE DÉCOUVRIR DIFFÉRENTES CULTURES ET OPINIONS À TRAVERS UN BUT COMMUN: PRÉSERVER LA NATURE!

MERCI À TOUS LES BÉNÉVOLES DE NATAGORA!!
